Dear Benefactors

Firstly I want to say may the Lord almighty bless you and let you live a life long. I want to thank you for the love which you share to me, And to others.

Thank you for paying my school fees. I just want to thank the Lord of Mary mother of Jesus who gave you a merciful heart. Thank you for being so humble to us. May the Lord almighty be with you and continue protect you against all diseases and also protects you from the enemy.

I did not know that the Lord will visit you and let us go to school. Me also I want to thank you again because I did not know that I will go to secondary school one day. But the Because of the merciful which you have I suddenly go to school

I wish to be a good student. But Because I have shortage of book. But one it will be fine.

Your sincerely

Charhanga Njerha.
